

# Read & Write Gold

Read & Write Gold 11 is installed on every computer in the Morton Family Learning Center. All Dean College students are eligible to have the program downloaded onto their personal laptops at no charge. Students can make an appointment with the Disability Support Services Coordinator to have the software downloaded and for a training session. Read & Write Gold is available for both Windows and Mac.

What is [Read & Write Gold](#)?

Read & Write Gold is a discrete, customizable toolbar that integrates reading, writing, studying, and research support tools with common applications. Also, see our Read & Write solutions for [Google](#) and the [iPad](#).

The easy-to-use literacy software builds confidence and independence in individuals of all ages and abilities. Access the support tools needed to succeed at school, work, or home.

Features of the application include:
