

Dear First Name,

We are pleased to announce emergency financial assistance for you.

Federal CARES Act 2 funding is being made available to U.S Citizens and Permanent Residents for the sole purpose of providing emergency financial relief in the form of grants to students to assist with any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or childcare.

Each institution is given the authority to determine how best to distribute these funds to its students. Dean College will be allocating funds based on student's residency status and their financial need as determined by the Free Application for Federal Student Aid (FAFSA).

- Full-time commuter students who filed a FAFSA and qualified for need-based aid will receive between \$150 and \$900.
- Full-time resident students who filed a FAFSA and qualified for need-based aid will receive between \$200 and \$1150.
- Part-time students who filed a FAFSA and qualified for need-based aid will receive \$150.

Funding will be made available electronically through the Zelle digital payment network. **Please keep checking your Dean email address over the next week to register and receive your funding electronically.** If you do not register within 2 weeks of receiving your Zelle notification, your funding will no longer be available electronically and a check will be sent to your permanent address we have on file at the college.

In the event additional relief opportunities become available, we will notify students promptly. Dean College is committed to doing all we can to support you during these unprecedented times. Please reach out to Student Financial Planning at sfp@dean.edu or at 508-541-1518 if you have any questions.

Thank you and stay safe,

Frank Mullen
Dean of Student Financial Planning and Services
Dean College
