

# **Dean College**

## **Spring 2026**

### **Course Schedule Booklet**

*Prepared by the Academic Affairs  
October 28, 2025*

*Subject to Change*

## **REGISTRATION DATES AND TIMES FOR SPRING 2026**

**Dates students may begin to register:**

| Date                   | Group   | Completed Credits |
|------------------------|---------|-------------------|
| Tuesday, November 4    | GROUP 1 | 84 +              |
| Thursday, November 6   | GROUP 2 | 54 – 83           |
| Wednesday, November 12 | GROUP 3 | 26 – 53           |
| Friday, November 14    | GROUP 4 | 0 – 25            |

**Registration times are based on completed credits plus current registered credits.**

The Spring 2026 Course Schedule will be available on Monday, October 27, 2025.

Students must be cleared for registration by their Advisor and Student Financial Planning.

Courses are subject to change. Please check Self-Service Student Planning for up-to-date schedule information.

*Spring courses begin and end on the following dates:*

|                | Spring Semester     | Quarter 3           | Quarter 4        |
|----------------|---------------------|---------------------|------------------|
| Courses begin. | Tuesday, January 20 | Tuesday, January 20 | Monday, March 16 |
| Courses end.   | Thursday, May 7     | Friday, March 6     | Friday, May 1    |

## Limits on the number of dance technique courses students can enroll in.

Starting this spring, there will be a limit on the number of dance technique (DAN) courses each student may register for during the initial registration period.

- DAN students (AA, BA, BFA) → 4 courses
- THA BFA (Acting & Musical Theatre) students → 2 courses
- THA BA students and DAN minors → 1 course
- All other Dean Students → 1 course

This process is being implemented to ensure:

- **Equity in access** — allowing all students the opportunity to register for required & level-appropriate technique classes.
- **Student well-being** — maintaining healthy, sustainable training loads that support your growth and safety.

If you wish to enroll in additional technique courses beyond the initial limit, you will need to schedule a brief meeting with **Professor Todd Shanks, Program Coordinator of Dance**, to discuss your request and the reasoning behind it. Exceptions may be granted based on program requirements, performance obligations, class availability or individual student goals.

Thank you for your understanding and cooperation as we work to create a balanced, fair, and safe registration process for everyone.

## Registering for courses that are initially reserved for specific majors.

Changes to registration restrictions will be made on Friday, December 5 (End of Week 14) to allow other majors to enroll in restricted courses, if any seats are available.

# HONORS COURSE OFFERINGS

Honors Program students may enroll in these courses without any additional permission. Any non-honors students interested in joining the Honors Program and/or taking an Honors course should meet with Dr. Rob Lawson, Honors Program Director, to obtain approval to enroll.

## **HONORS COURSE OFFERINGS (COURSE DESCRIPTIONS)**

### **HON 295 CAH1/HON-296-CAHH1/HON-298-CSH1/HON-399-H1 – Greece—Study-Travel Course (Honors) (3 cr)**

**Instructor: Professor Rob Lawson**

**Meeting Days & Times: MWF, 10:00AM to 10:50AM**

Greece-a, deeply historic society existing in a beautiful land and seascape. This course combines on-campus study with a 10-day trip to Greece in March 2026 (spring break). Students will create research projects that can include, but are not limited to, history, sociology, economics, art history, architecture, media, literature, music, theatre, dance, etc. In addition to the research projects, students will encounter curricula and logistical plans to prepare them for the travel experience. Prerequisite: Permission of the Instructor. There is a course fee (\$4950) which covers the costs of the tour and is bundled with the student's Spring 2026 tuition bill.

### **HUM-296-CHH1– Iceland: Vikings and Volcanoes (Honors) (3 cr)**

**Instructor: Professor Rob Lawson**

**Meeting Days & Times: MWF, 8:00AM to 8:50AM**

Iceland: the land of ice and fire. Many know it as a film location for Game of Thrones or a place to see the northern lights on an Icelandair layover. This course goes deeper, giving students the opportunity to look at the nation of Iceland from 360 degrees, exploring history, geography, economics, literature, & culture, and more. Geologically, the island is not, old-volcanoes build new landscapes across Iceland even today-and humans have only inhabited Iceland for about a thousand years, starting with a few Irish monks and then the Vikings. But this relatively short geologic and human history has produced riches for us to discover, from glaciers fjords and lava fields to Norse sagas, Björk, and the meteoric Iceland national soccer team. Come on a journey to this beautiful island in the north Atlantic. Students taking this for Honors credit will be offered a fee-based (\$4950) short-term study-travel tour of Iceland at the conclusion of the semester. The course fee (\$4950) covers the costs of the tour and is bundled with the student's Spring 2026 tuition bill.

## **SPECIAL TOPICS COURSE OFFERINGS (COURSE DESCRIPTIONS)**

### **BUS-394-0101 – MBTA Venture Challenge (3 cr)**

**Instructor:** Professors Joe Fagnoli and Ursula Wefers

**Meeting Days & Times:** MW, 11:00AM to 12:15PM

The Experiential Entrepreneurship: MBTA Venture Challenge is an innovative, *invitation-only* course that places students in the role of entrepreneurs evaluating real-world business opportunities. Students will research two MBTA Commuter Rail stations, Franklin and Forge Park/495, to determine which location offers greater potential for a new entrepreneurial venture. Through design thinking, market research, and financial analysis, students will identify opportunities that address commuter and community needs, select the stronger site, and develop a comprehensive start-up plan. Their work will culminate in a detailed plan, including market research, investment requirements, a marketing strategy, and a start-up budget.

### **COM-390-01 – Iphone, Drones, GoPros (3 cr)**

**Instructor:** Professor Gregg Seibert

**Meeting Days & Times:** MW, 11:00AM to 12:15PM

This course is designed to engage students with practical application of new technologies used in video production. Students will engage using iPhones or Android phones, Drones and GoPros throughout the semester to do a series of weekly 1–2-minute projects that can be posted to their social media sites. At the end of the semester, all students will produce a “teasers” project that will incorporate the best footage they have captured during the course. This project will synthesize the unique look and creative approach that these technologies can provide. Prerequisites: None.

### **EXSC-290-01 – Move, Stretch & Relax (3 cr)**

**Instructor:** Professor Coleen Bartlett Taylor

**Meeting Days & Times:** MWF, 11:00AM to 11:50AM [Reserved for Sophomore and First-year Exercise Science Majors]

This course will explore the science behind the employment of movement and stretching to improve flexibility and range of motion, increase blood flow, improve posture, aid in injury prevention and relieve stress. Students will experience relevant movements and stretches, focusing on the skill of listening to their bodies. Students will also have the opportunity to research and experience concepts and techniques essential to the understanding of relaxation which is a state of physical and mental calmness, free from stress and tension, and crucial for overall well-being. Students will research and engage in activities that lower stress and activate the body's parasympathetic nervous system, providing benefits such as improved heart health, reduced anxiety, and better immune function. Common techniques explored include deep breathing, progressive muscle relaxation, body scan meditation, and engaging in hobbies to reduce tension and promote a sense of ease and flow. At the end of the semester, students facilitate a MOVE, STRETCH, and RELAX workshop for the campus community.

### **THA-390-01 – Special Topics in Production and Design: Costume Construction (2 cr)**

**Instructor:** Professor Dustin Thomas

**Meeting Days & Times:** TTH, 9:30AM to 10:45AM

This course explores the basic concepts of costume design, patterning, and construction. Prerequisite: junior or senior standing. Prerequisite: Junior or senior standing. Course fee: \$50.

## ONLINE COURSES OFFERINGS

The following courses meet ASYNCHRONOUSLY online. This means students will be responsible for setting their own hours to be working on the course and working in their online classroom. Students should plan to log in to their Canvas classroom at least three or more days per week to do classwork. These courses are recommended for students who have good time management and organizational skills as well as can self-motivate.

**Note** The Quarter courses [26/Q3 and 26/Q4] listed above meet for seven (7) weeks. Students will be responsible to learn and complete the same amount of work as required in a semester long course in seven weeks. Students should plan to study for twice as long during the week for these courses as their semester long courses. These courses are recommended for students who have good time management and organizational skills as well as can self-motivate.

The following courses meet SYNCHRONOUSLY online for all class meetings. This means that the instructor and students will meet virtually at the same time.

| Term  | Section Name | Title                          | Days | Start Time | End Time | Notes                       |
|-------|--------------|--------------------------------|------|------------|----------|-----------------------------|
| 26/SP | COM-165-OL1  | Dean Daily                     | MW   | 12:30PM    | 01:45PM  |                             |
| 26/SP | COM-165-OL2  | Dean Daily                     | MW   | 12:30PM    | 01:45PM  | Requires instructor consent |
| 26/SP | COM-365-OL2  | Advanced Dean Daily            | MW   | 12:30PM    | 01:45PM  | Requires instructor consent |
| 26/SP | DAN-210-OL1  | Creative Movement for Children | MW   | 11:00AM    | 12:20PM  |                             |

The following courses are HYBRID and meet in-person for some class meetings and online for some portions of the class. This means that the instructor and students will meet in person sometimes and virtually at other times. See the details for each course listed below.

| Term  | Section Name  | Title              | Method     | Days   | Start Time       | End Time         | Notes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

Lab meets on Mondays in-person.                                                                                                                                                                                                                                                                                                                                                                                               |
| 26/SP | THA-411-HYB   | Playwriting        | LEC, SHYBR | MW, F  | 02:00PM, 02:00PM | 02:50PM, 02:50PM | For Juniors and Seniors. This course will meet synchronously online on Fridays.                                                                                                                                                                                                                                                                                                                                                                                                       |

**Online Course Enrollment:** Dean College students may take online courses as part of their degree program. Students must have their advisor's approval to register for online courses. The following online course limits apply. Quarter courses are included in the full-term limits.

**For full-time students:**

- First-year students may enroll in no more than one online course during the fall or spring semesters, not to exceed a total of 4 credits per semester.
- Sophomores, juniors, and seniors, except for students on an F-1 visa, may enroll in up to two online courses during fall or spring semesters, not to exceed a total of 8 credits per semester.
- Full-time students on an F-1 visa may enroll in no more than one online course during the fall, winter, spring, or summer terms, not to exceed a total of 4 credits in any single term.
- Full-time students may take no more than 50% of their total overall degree requirements as online courses.

**For part-time students:**

Part-time students may enroll in one or more online courses, not to exceed a total of 11 credits in any single term.

## **EVENING (In-person) COURSES OFFERINGS**

## **ONLINE COURSES OFFERINGS – Rize Education**

Dean College partners with Rize Education to offer degrees in innovative, high-demand fields. Rize courses are built with industry experts and focus on real-world assignments, preparing students for careers in growing industries with above-average starting salaries. All courses are instructor-led in an online asynchronous format. Time is available weekly with instructors, as are office hours by appointment, providing both flexibility to students and the option to engage synchronously as well as asynchronously. Students are responsible for required books, when applicable.

**These courses are asynchronous online courses offered through the RIZE consortium. They have optional live sessions that will be scheduled by the instructor at the start of the course. All students are welcome to explore these courses.**

**These courses start on Monday, January 12, 2026, and conclude on Sunday, April 26, 2026.**

| PBHL-121-RIZE   | History of Public Health        | Priority to Public Health majors and minors.                                 |
| SMGT-181-RIZE   | Introduction to Games           | Priority to eSports and Gaming Administration track students and minors.     |

**Note: The Add, Drop, and Withdraw dates for these RIZE sections are as follows:**

- **Last day to Add is Friday, January 23, 2026.**
- **Last day to Drop is Friday, January 30, 2026.**
- **Last day to Withdraw is Friday, April 10, 2026.**

## ONLINE COURSES OFFERINGS – Rize Education (Course Description)

As we get ready to dive into the advising and registration period for the spring 2026 semester, we're excited to share details about four asynchronous online courses offered this spring in partnership with Rize Education. These courses offer valuable career exploration and skill-building opportunities, and **no prerequisites are required**.

- **CRM-CS-110-RIZE: Introduction to Cybersecurity:** This hands-on course teaches foundational cybersecurity skills through real-world scenarios, covering Linux command line operations, vulnerability assessments, and industry-standard risk analysis frameworks. *Potential careers: Security Operations Center (SOC) Analyst | Cybersecurity Analyst | Incident Response Analyst | Avg. Salary: ~\$60K-120K*
- **SMGT-181-RIZE: Introduction to Games:** Learn game design fundamentals using industry tools like Scratch and Twine while building a portfolio on itch.io. *Potential careers: Gameplay Programmer | Mobile Game Developer | Avg. Salary: ~\$65K-119K*
- **BUS-237-RIZE: Project Management Fundamentals:** In this intro level course you'll learn the foundations to Waterfall and Agile methodologies, stakeholder analysis, and project charters that employers demand across all industries. Build a professional PM portfolio with real tools like RACI charts. *Potential careers: Project Manager | Project Coordinator | Avg. Salary: ~\$45K-115K*
- **PBHL-121-RIZE: History of Public Health:** Explores the history, principles, and practices of public health, focusing on designing and implementing effective community health initiatives and understanding the role of international organizations. *Potential careers: Healthcare Administrator | Health and Safety Engineer | Environmental Specialist | Avg. Salary: \$76K-\$105K*

Note: Registration process is the same as for all other courses. Students would meet with their Success and Career advisor and add this course to their plan for the spring 2026 semester. All 4 courses are capped at 25 students.

### **What students can expect:**

- **Flexible format:** Fully online with weekly assignments that fit around in-person schedules
- **Hands-on learning:** Students build real portfolio projects, and learn through skills application
- **Career discovery:** Students will become aware of different career paths that leverage these skills
- **Caring instructors:** Students will be taught by and receive detailed feedback from a qualified instructor at another accredited institution

You will work in teams to creatively problem solve industry situations, then professionally present your ideas and solutions to the KS+E leaders, both on campus at Dean and at Gillette Stadium in Foxboro. Kraft Sports + Entertainment, a division of The Kraft Group oversees marketing, sales, content, development, and event operations for the New, England Patriots, the New England Revolution, the Boston Uprising of esports' Overwatch League and Gillette Stadium. Prerequisite: Instructor permission, Junior or Senior status, and completed at least 6 credits of 300-level coursework. Note: all students who want to register for this class must complete a brief application form.                                                  |
| 26/SP | SMGT-325-02 | Curr Issues in Sports Industry | 3 | LEC | MW | 12:30PM | 01:45PM | This experiential course is designed to provide students seeking opportunities within professional or collegiate sports a chance to experience and learn what goes into organizing and running a team, and how to run a franchise. In coordination, with the Providence Bruins Hockey Club (AHL Affiliate of the Boston Bruins) and their administrative staff, students will learn from team Vice Presidents in the areas of sales and marketing, advertising, public relations and communications, facility management, financial management, partnerships, and Game Day operations. Teamwork will be emphasized throughout and students will have the chance to develop proposals the Providence Bruins will consider for implementation within the organization. |

| 26/SP | HUM-296-CH1  | Iceland: Vikings and Volcanoes | 3   | LEC    | MWF  | 08:00AM    | 08:50AM  | This section of the Iceland course is for students who are <u>not</u> traveling to Iceland with the study travel group in May 2026. Course description: Iceland: the land of ice and fire. Many know it as a film location for Game of Thrones or a place to see the northern lights on an Icelandair layover. This course goes deeper, giving students the opportunity to look at the nation of Iceland from 360 degrees, exploring history, geography, economics, literature & culture, and more. Geologically, the island is not old-volcanoes build new landscapes across Iceland, even today-and humans have only inhabited Iceland for about a thousand years, starting with a few Irish monks and then the Vikings. But this relatively short geologic and human history has produced riches for us to discover, from glaciers, fjords, and lava fields to Norse sagas, Björk, and the meteoric Iceland, national soccer team.                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 26/SP | HUM-296-CHH1 | Iceland: Vikings&Volcanoes(h)  | 3   | LEC    | MWF  | 08:00AM    | 08:50AM  | This section of the Iceland course is for students who are approved to travel to Iceland with the study travel group in May, 2026. All Dean students are invited to apply. Permission of instructor required. Course Fee: \$4950. Iceland: the land of ice and fire. Many know it as a film location for Game of Thrones or a place to see the northern lights on an Icelandair layover. This course goes deeper, giving students the opportunity to look at the nation of Iceland from 360 degrees, exploring history, geography, economics, literature, & culture, and more. Geologically, the island is not, old-volcanoes build new landscapes across Iceland even today-and, humans have only inhabited Iceland for about a thousand years, starting with a few Irish monks and then the Vikings. But this relatively short geologic and human history has produced riches for us to discover, from glaciers, fjords, and lava fields to Norse sagas, Björk, and the meteoric Iceland national soccer team. Come on a journey to this beautiful island in the north Atlantic. Students taking this for Honors credit will be offered a fee-based (\$4950) short-term study-travel tour of Iceland at the conclusion of the semester. The course fee (\$4950) covers the costs of the tour and is bundled with student's Spring 2026 tuition bill. |

| 26/SP | SMGT-325-01  | Curr Issues in Sports Industry | 3   | LEC    | TTH  | 11:00AM    | 12:15PM  | <p>Do you dream of working for a large multi-billion-dollar company? What does it take to lead a global sports business? Learn what it takes by studying with Kraft Sports + Entertainment (KS+E) executives. In this course, you will grapple with real world industry challenges, meet regularly with KS+E personnel to learn industry best practices, and present solutions that these executives will consider for implementation. You will learn to develop ideas and use problem-solving techniques while addressing actual scenarios by working "on the inside" at KS+E. Areas of focus may include product promotion, marketing, sales, special events and more in the retail, entertainment, sports, and hospitality industries. You will work in teams to creatively problem solve industry situations, then professionally present your ideas and solutions to the KS+E leaders, both on campus at Dean and at Gillette Stadium in Foxboro. Kraft Sports + Entertainment, a division of The Kraft Group, oversees marketing, sales, content development, and event operations for the New England Patriots, the New England Revolution, the Boston Uprising of esports' Overwatch League and Gillette Stadium. This course fulfills a DCA Experience Course requirement.</p> <p>Prerequisite: Instructor permission, Junior or Senior status, and completed at least 6 credits of 300-level coursework. Note: all students who want to register for this class must complete a brief application form.</p> |

| 26/SP | SMGT-325-02  | Curr Issues in Sports Industry  | 3   | LEC    | MW   | 12:30PM    | 01:45PM  | This experiential course is designed to provide students seeking opportunities within professional or collegiate sports a chance to experience and learn what goes into organizing and running a team, and how to run a franchise. In coordination with the Providence Bruins Hockey Club (AHL Affiliate of the Boston Bruins) and their administrative staff, students will learn from team Vice Presidents in the areas of sales and marketing, advertising, public relations and communications, facility management, financial management, partnerships, and Game Day operations. Teamwork will be emphasized throughout and students will have the chance to develop proposals the Providence Bruins will consider for implementation within the organization. This course fulfills a DCA Experience Course requirement. Prerequisite: Instructor permission, Junior or Senior status, and completed at least 6 credits of 300-level coursework. Note: all students who want to register for this class must complete a brief application form. |
