Subject to Change

REGISTRATION DATES AND TIMES FOR SPRING 2027

Dates students may begin to register:

Date	Group	Credits (completed & currently enrolled)
Tuesday, November 3	GROUP 1	84 +
Thursday, November 5	GROUP 2	54 – 83
Tuesday, November 10	GROUP 3	26 – 53
Friday, November 13	GROUP 4	0 – 25

Registration times are based on completed credits plus current registered credits.

The Spring 2027 Course Schedule will be available on Monday, October 26, 2026.

Students must be cleared for registration by their Advisor and Student Financial Planning.

Courses are subject to change. Please check Self-Service Student Planning for up-to-date schedule information.

Spring courses begin and end on the following dates:

	Spring Semester	Quarter 3	Quarter 4
Courses begin.	Tuesday, January 26	Tuesday, January 26	Monday, March 22
Courses end.	Wednesday, May 12	Friday, March 12	Friday, May 7

Limits on the number of dance technique courses students can enroll in.

There is a limit on the number of dance technique (DAN) courses each student may register for during the initial registration period.

- DAN students (AA, BA, BFA) → 4 courses
- THA BFA (Acting & Musical Theatre) students → 2 courses
- THA BA students and DAN minors → 1 course
- All other Dean Students → 1 course

This process is being implemented to ensure:

- **Equity in access** — allowing all students the opportunity to register for required & level-appropriate technique classes.
- **Student well-being** — maintaining healthy, sustainable training loads that support your growth and safety.

If you wish to enroll in additional technique courses beyond the initial limit, you will need to schedule a brief meeting with **Professor Todd Shanks, Program Coordinator of Dance**, to discuss your request and the reasoning behind it. Exceptions may be granted based on program requirements, performance obligations, class availability or individual student goals.

Thank you for your understanding and cooperation as we work to create a balanced, fair, and safe registration process for everyone.

Registering for courses that are initially reserved for specific majors.

Changes to registration restrictions will be made on Monday, December 7 (Start of Week 14) to allow other majors to enroll in restricted courses, if any seats are available.

HONORS COURSE OFFERINGS

Honors Program students may enroll in these courses without any additional permission. Any non-honors students interested in joining the Honors Program and/or taking an Honors course should meet with Dr. Rob Lawson, Honors Program Director, to obtain approval to enroll.

ONLINE COURSES OFFERINGS – Rize Education

Dean College partners with Rize Education to offer degrees in innovative, high-demand fields. Rize courses are built with industry experts and focus on real-world assignments, preparing students for careers in growing industries with above-average starting salaries. All courses are instructor-led in an online asynchronous format. Time is available weekly with instructors, as are office hours by appointment, providing both flexibility to students and the option to engage synchronously as well as asynchronously.

Students enrolled in the following Dean College programs — Cybersecurity minor, Project Management track or minor, eSports and Gaming Administration track or minor, Neuroscience major or minor, and Public Health major or minor — enroll in Rize courses as part of their program of study at no additional cost. Students are responsible for required books, when applicable. Students in these programs may enroll in no more than two Rize courses in either the fall or spring semesters.

These courses are asynchronous online courses offered through the RIZE consortium. They have optional live sessions that will be scheduled by the instructor at the start of the course.

27/SP	SMGT-325-02	Curr Issues in Sports Industry	MW	12:30PM	01:45PM	This experiential course is designed to provide students seeking opportunities within professional or collegiate sports a chance to experience and learn what goes into organizing and running a team, and how to run a franchise. In coordination with the, Providence Bruins Hockey Club (AHL Affiliate of the Boston Bruins) and their administrative staff, students will learn from team Vice Presidents in the areas of sales and marketing, advertising, public relations and communications, facility management, financial management, partnerships, and Game Day operations. Teamwork will be emphasized throughout, and students will have the chance to develop proposals the Providence Bruins will consider for implementation within the organization. This course fulfills a DCA Experience Course requirement. Prerequisite: Instructor permission, Junior or Senior status, and completed at least 6 credits of 300-level coursework.

27/SP	SMGT-325-H1	Curr Issues in Sports Indus(h)	TTH	11:00AM	12:15PM	<p>For Junior/Senior students in the Honors Program. Non-Honor, students should see Dr. Lawson.</p> <p>Do you dream of working for a large, multi-billion-dollar company? What does it take to lead a global sports business? Learn what it takes by studying with Kraft Sports + Entertainment (KS+E) executives. In this course, you will grapple with real world industry challenges, meet regularly with KS+E personnel to learn industry best practices, and present solutions that these executives will consider for implementation. You will learn to develop ideas and use problem-solving techniques while addressing actual scenarios by working "on the inside" at KS+E. Areas of focus may include product promotion, marketing, sales, special events and more, in the retail, entertainment, sports, and hospitality industries. You will work in teams to creatively problem-solve industry situations, then professionally present your ideas and solutions to the KS+E leaders both on campus at Dean and at Gillette Stadium in Foxboro. Kraft Sports +Entertainment, a division of The Kraft Group oversees marketing, sales, content, development, and event operations for the New England Patriots, the New England Revolution, the Boston Uprising of, esports' Overwatch League, and Gillette Stadium. This course fulfills a DCA Experience Course requirement. Prerequisite: Junior or Senior status, and complete at least 6 credits of 300-level coursework. Interested students are strongly encouraged to talk with Dr. Leary before enrolling in this course.</p>

27/SP	SMGT-325-H1	Curr Issues in Sports Indus(h)	3	LEC	TTH	11:00AM	12:15PM	For Junior/Senior students in the Honors Program. Non-Honor, students should see Dr. Lawson. Do you dream of working for a large, multi-billion-dollar company? What does it take to lead a global sports business? Learn what it takes by studying with Kraft Sports + Entertainment (KS+E) executives. In this course, you will grapple with real world industry challenges, meet regularly with KS+E personnel to learn industry best practices, and present solutions that these executives will consider for implementation. You will learn to develop ideas and use problem-solving techniques while addressing actual scenarios by working "on the inside" at KS+E. Areas of focus may include product promotion, marketing, sales, special events and more, in the retail, entertainment, sports, and hospitality industries. You will work in teams to creatively problem-solve industry situations, then professionally present your ideas and solutions to the KS+E leaders both on campus at Dean and at Gillette Stadium in Foxboro. Kraft Sports +Entertainment, a division of The Kraft Group oversees marketing, sales, content, development, and event operations for the New England Patriots, the New England Revolution, the Boston Uprising of, esports' Overwatch League, and Gillette Stadium. This course fulfills a DCA Experience Course requirement. Prerequisite: Junior or Senior status, and complete at least 6 credits of 300-level coursework. Interested students are strongly encouraged to talk with Dr. Leary before enrolling in this course.
