Registering & Paying for Winter Intercession Courses

- Students have access to view winter intercession courses in Student Planning and the course booklet available on the Success & Career Advising department page on myDean.
- Students interested in taking a winter intercession course should meet with their advisor during the regularly scheduled registration period to review options and plan their winter intercession courses.
- When a student has decided to take a winter intercession course(s), the advisor works with the student to complete the “Winter Intercession 2026 Student Registration” form.
- To be officially registered for a winter intercession course, payment is required. The tuition for winter session courses is \$430 per credit, plus a \$25 registration fee. Students are responsible for contacting Student Financial Planning for payment. Winter Intersession Course Offerings

All **Winter Intersession** courses are scheduled for **4-weeks, starting on Wednesday, December 17, 2025, and ending on Tuesday, January 13, 2026**. All these courses are offered as online asynchronous courses.

The following courses meet **ASYNCHRONOUSLY** online. This means students will be responsible for setting their own hours to read/view/listen to their course materials, to work on assignments, and to respond to discussion forums in their online classroom. Students should plan to log in to their Canvas classroom at least five or more days per week to do classwork and submit required assignments. These courses are recommended for students who have good time management and organizational skills, and who can self-motivate.
